## LOUISIANA HOOPSTARS

To Whom It May Concern,

My name is Quarry Edwards; I am the Coach of a youth boys' basketball team called The Louisiana Hoopstars. They are a group of young men from different communities and schools in the Shreveport/Bossier City area, who have decided to come together and unite their talents on the basketball court and form a team.

We are planning to travel throughout the States of Louisiana and Texas to improve their basketball skills by participating in various basketball tournaments. Competing in these events will help mature them as young men by giving them a more complete understanding that teamwork makes the dream work, it will also give them a sense of pride through their victories and/or defeats.

I'm presenting you with this letter in hopes that you will find it in your heart to help us strive for excellence with a financial contribution. Our goal is to raise \$1,400.00 to purchase uniforms, pay tournament fees and assist with travel expenses such as van rentals and hotel stays. Any donations will help towards our financial goal and will be greatly appreciated.

If you have any questions please feel free to contact me, and on behalf of the team and myself, I thank you in advance for your financial support.
